FAIR DATES 'OPEN'

NODAWAY'S EXHIBITION DOES NOT CONFLICT WITH OTHERS.

EXPECT MANY ENTRIES

Many to Compete in Races and Exhibits of Live Stock, Poultry, Farm and Home Products.

The initial county fair of the new Nodaway County Fair association, which was incorporated yesterday at \$25,000, and the dates of this year's exhibition set for August 16 to 21, inclusive, as announced exclusively in The Democrat-Forum yesterday, will not conflict with any important fairs near by. That part was determined definitely before action by James Andy Ford, manager. He wrote individually to the secretaries of the various fair associations in northern Missouri and southern Iowa, to get the time of other 1915 fairs.

The Nodaway county fair, which will continue through the entire third week of August, will come the next week after the proposed interstate fair at St. Joseph and the week preceding the Iowa state fair at Des Moines. It will not conflict with the fairs at Shenandoah or Bedford, Ia., either, according to advice received by Manager Ford.

May Change Maitland Dates.
The Shenandoah fair will be held from August 9 to 13, inclusive, Secretary A. W. Goldberg, has informed Mr. Ford. C. N. Nelson, secretary of the Taylor County Agricultural association at Bedford, has advised Manager Ford that the Bedford fair will be held the last week of July.

Although it is not definitely determined, it is probable the local county fair may conflict with the dates of the fair of the Nodaway Valley Fair association, to be held at Maitland. This association held a fair last year on the third week in August. That time may be changed this year, especially so now since the dates for the Nodaway county fair have been determined.

A circuit fair meeting will be held within the next few weeks at Shenandoah, at which time the dates for each fair will be definitely set. Mr. Ford has been requested to attend this circuit session.

That the fair this year will far exceed that of last fall appears certain already. Many inquiries have been coming in the last few days for data concerning the exhibition, from owners of race horses and thoroughbred live stock and farmers who wish to compete for prizes and awards.

Manager for Each Department.
An individual manager for each department will be selected by the association for this year's fair. Manager Ford announced today. J. F. Roelofson of this city probably will be again selected to have charge of the live stock department. It was announced. A race manager also will be selected, an expert at Excelsior Springs being favorably considered.

There will be no exclusive concessions this year, the association officials have definitely determined. Every amusement caterer will be given a chance to bid for privileges at the Nodaway county fair, the highest bidder getting the cake. The class of amusements also will be guarded and nothing objectionable in any way allowed on the grounds the management has announced.

BEDISON LAMBS BRING \$8.65.

E. W. Ambrose Sells Load at St. Joseph at Near Top Price.

A load of lambs marketed by R. W. Ambrose, a farmer near Bedison, in St. Joseph yesterday brought within 10 cents of the top price, or \$8.65 a hundred. Mr. Ambrose said the lambs had gained much in weight and were sold at a price much in advance of what he paid last fall.

Other Nodaway county farmers who marketed live stock in St. Joseph yesterday were: J. B. Nunnell, J. M. Wray, Will N. Wray, Herndon & Bishop, D. H. Jessup, J. J. Collison, J. Simon and W. C. Orr.

Dr. and Mrs. H. O. Philip of Ewing, Mo., are visiting in the city, the guests of Mr. and Mrs. B. M. Chandler and family.

"RELIGION" MOST VALUABLE

"Is More to Be Prized Than Home, Wealth or Education," Evangelist Says.

The special revival meetings at the Buchanan Street Methodist church are apparently increasing in interest at every service.

The text of Evangelist Llewellyn last night was Luke 10:42—"But one thing is needful and Mary has chosen the good part that shall not be taken away from her."

"Jesus said, 'Martha, thou art careful about many things, but one thing is needful, and Mary hath chosen the good part that shall be taken away from her,'" said Evangelist Llewellyn. "The every-day business of life keeps people away from Christ. One thing, the unity of religion, the same in experience, and in effect upon all who embrace it."

"We need religion in our homes, in our churches, and in our communities. It stops quarrels, divorces, wars. We need religion more than we need homes, wealth, education, or any other thing."

"Religion is the only satisfying thing. Money is a good thing to have, and land is a good thing to have. They are good in their place, and for their purpose as God in His goodness designed them for the children of men, but they can never satisfy the longing of the soul or inner man."

"Religion can never be taken away from you. Robbers and thieves cannot force it from you. Wicked men nor devils can't keep you from obtaining, enjoying and keeping that good thing. When we choose to be religious we can be, and not before. That one thing puts us on the Lord's side. That is to be under His protection. God is that with His power and love back of us to guide and keep us and bring us in safety to the end."

\$100,000 FIRE AT SAVANNAH

Early Morning Flames Gut Five Buildings on Square—Starts in Store.

Special to The Democrat-Forum.
Savannah, Jan. 9.—Fire of unknown origin, but believed to have been caused by an overheated stove, caused a property loss of \$100,000 and the gutting of five two-story brick buildings on the south side of the court house square here early this morning. Not more than half the population was aware of the fire until four or five hours later. The best buildings in Savannah were in the burned area.

The fire started about 2 o'clock this morning in the Swartz variety and racket store. It is believed to have been caused by an overheated stove at the rear. The electric gong on the court house tower failed to work properly, thereby letting the fire get a good start before discovered.

The fire spread both west and east rapidly, burning out the building occupied by the variety store, over which was the exchange of the Andrew County Mutual Telephone company, the Porter-Cooper drug store, over which was Dr. Bailey's dental offices; James-Hull, grocery store; Key's dry goods store and the Clabby hardware store, the upstairs of which buildings were occupied, except one.

The insurance carried by the Key Dry Goods company was given at \$7,000, while Clabby had an insurance of \$8,000, with a loss estimated at double that amount. All others lost heavily.

The local fire department was unable to cope with the fire, so the St. Joseph department was appealed to. It arrived too late to aid much, except to save other buildings from burning.

Harry Todd, manager of the Han

amo Telephone company, who went there this morning to aid the Mutual, said nearly all lines of communication were cut there, on his return at noon. The same block of buildings burned out two years ago, he said.

William B. Limerick, owner of the Limerick drug store there, who was in Maryville last night, received word that his store was safe from the flames.

Mrs. Robinson Ill.

Mrs. James B. Robinson has been very ill for the past week, suffering from a bad attack of quinsy.

DRAWS BIG CROWD

BAPTIST EVANGELIST GREETED AUDIENCE IN "HEART'S DESIRE."

WAS INITIAL SERMON

The Rev. A. E. Burch Begins Nightly Services With Arch Carter, Song Director.

An unusually large crowd greeted Evangelist A. E. Burch in his initial appearance at the First Baptist church revival last night. A duet by Miss Hazel Everhart and Arch A. Carter, choir director, "O My Soul, Bless Thou Jehovah," was a feature of the song service.

Evangelist Burch used as his text for the evening, "My heart's desire and prayer to God for Israel is that they might be saved."

"This is an X-ray picture of the Christian's heart," began Mr. Burch. "There are two things set forth in the text—the desire for the salvation of men and the prayer to God for that salvation. The heart's desire is a mighty force. It has brought to Edison the success that he has achieved by way of invention. It held Bunyan in the prison for twelve long years. The queen of England said to him repeatedly that he might go free if he would recant, but he desired to be true to the Christ. This desire inspires true courage. It causes the army to march in the face of every difficulty, even in the face of death. Why not such valor in the great Christian cause."

"Prayer, too, is a mighty force. Elijah prayed that it might not rain for three years. John Knox won Scotland by a night of crying, 'Oh, God, give me Scotland or I die.' The secret of true prayer is to be able to say 'Thy will be done.' That begins in our own hearts. We must do God's will before we have the right to pray that others may do God's will. 'Thy kingdom come' means that we must bring in His kingdom."

"Knowledge is a mighty force. Knowledge that men are lost goes far in creating the real desire for the salvation of the lost. Again, knowledge that men are our brothers. The ship's captain appeared to be unusually troubled, having noticed that a man had fallen overboard. This was not an unusual occurrence to him."

"On inquiry it was found that the man who had fallen overboard was his brother. This knowledge made the difference. We need to know that every man is our brother in this great soul saving work. How about your prayer, your desire, and your knowledge? Have you any passion for souls? How many have you led to Christ?"

HORACE JONES' HORSE WON.

Parnell Breeder, Owner of Julia L., May Show Juarez Winner at County Fair Here.

El Paso, Texas, Jan. 7.—All the races at Juarez were attended by selling conditions except the three-eighths of a mile dash for 2-year-olds with which the sport began, and in which Julia L., a filly by Harrigan-Princess Tulane, made a show of her opposition.

On the strength of sensational morning workouts Julia L. ruled an odds-on favorite. She was in front from start to finish and won by as great a margin as Jockey Gentry pleased. She is the first of Harrigan's to get to race. Mena, a filly from the Spreckels stable, that raced well in her only preceding start, was the runner-up. Although the track was still by no means fast, Julia L. ran the three-eighths in :34 3-5.

Julia L. mentioned as winner by so good a margin in the horse race at Juarez, Mexico, this week, is one of the prize properties in horse flesh of Horace Jones, the famous Parnell breeder.

It is Mr. Jones' intention now to bring Julia L. to Maryville next August to enter her in the races at the county fair, dates for which were announced yesterday. He also has some other animals which will probably be entered on the local track next summer.

"Parnell Girl," formerly the property of Ben Jones of Parnell, also took first money in a race at Juarez a week ago.

Nick Sturm returned yesterday from a ten days' visit at Oklahoma City, Okla., with his son, C. Edward Sturm, and family. Mrs. Sturm, who accompanied him, stopped at St. Joseph to spend a few days visiting Mr. and Mrs. J. J. Walsh.

PLAYED AT FAMOUS PRISON.

Newly Wed and "Splicer" Johnson Tell of Southern "Pen" at Andersonville.

A lengthy discussion of the old and famous confederate prison or "death trap" at Andersonville, Ga., followed a marriage this morning by Justice Warren L. Johnson, himself a civil war veteran, who was a prisoner in that famous southern "pen." It was Ross B. Cromwell, a traveling salesman of St. Louis, a newly made bridegroom, that talked of those old times with Justice Johnson.

Just previously the local justice had united Cromwell and Mrs. Pauline Hindman of Bedford, Ia. Cromwell told of the times he, as a boy at Andersonville, had played hide-and-seek around and in the famous old military prison, and Justice Johnson told of the horrible treatment he and others received there.

Cromwell also told how he and the new Mrs. Cromwell had met while he was "making" his commercial beat through Iowa, and of the romance leading up to the nuptials here today.

SUIT COURSE TO PUPILS

Normal Head Advises City Teachers to Study Need of Individuals.

The initial monthly meeting of teachers of the grade and high schools of Maryville was held in the auditorium of the Washington school building at 10:30 o'clock this morning. Nearly every teacher in the city attended. They were addressed by President Ira Richardson of the State Normal school.

In his address before the teachers, President Richardson dwelt principally on the course of school study. He particularly emphasized the need of a greater knowledge by the teachers of the individual characteristics of their pupils and the value of trying to shape each pupil's study with this knowledge as a guide.

He also advised the teachers to get away from the mechanical manner the general course creates, to try to train each pupil in the way best suited to that child, and not give an entire class or group exactly the same instruction.

HIGH SCHOOL LOSES 27 TO 13

Albany Basket Ball Team Makes Better Passes—Locals Played Together.

The high school team lost again to the Albany high school team in a game played at the Normal gymnasium last night by a score of 27 to 13. Erratic passing at times and inability to hit field goals helped to keep the Maryville score down.

Both teams did fairly good team work, but a bad pass near the goal often broke up a good play for the Maryville boys. It was a good game, although rough in places.

At the end of the first half the score stood 12 to 6 for Albany. In the last half Albany scored 15 points to 7 for Maryville. One point was awarded to Albany. Scott played the best game for the local boys, getting 11 points.

A large crowd was present, and although the home team was losing, the rooters kept up their cheering to the last minute.

The lineups:
Albany—Elder and Summa, forwards; Goodman, center; Gill (captain) and Graham, guards.
Maryville—Strader, Gray and Van Cleve, forwards; Scott (captain), center; Miller and Hughes, guards.
Walter Wray of Maryville refereed the game.

Chester Bennett, city clerk, who, has been ill the last ten days with quinsy, is slightly improved today.

HEADACHY, COSTIVE,
BILIOUS—"CASCARETS"

Sick Headache, Bad Breath, Sour
Stomach, Mean Liver and Bowels
Are Clogged—Cheer Up!

Get a 10-cent box.
Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

"NO 'DRY' LEGISLATION"—CRAIG.

Nodaway State Senator Says Prohibition Question is to Be Stilled.

Senator Anderson Craig of Maryville, according to a report from Jefferson City, has announced that there will be no "dry" legislation offered at the present session of the Missouri legislature.

He is said to have made the statement that he believes the saloons should be curbed, but that there is nothing gained by radicalism, since the people have spoken on local option.

Would Protect Rabbits.

The state legislature will be asked this season to place rabbits on the list of protected animals. An effort also will be made to compel fishers to take out a license as in hunting.

"CAP" HYSLOP ON SESSION

Nodaway's State Representative Recites Minor Happenings at Assembly Opening.

(By Representative Charles Hyslop.)
Jefferson City, Jan. 8.—Monday, Tuesday and Wednesday of this week were the days of legislative hustling in the City of Jefferson. With about two hundred members of the general assembly present and at least three to one—some estimate as high as five to one—anxious to get up to the pie counter, there was scarcely standing room for three whole days in the corridors of the hotels and chambers at the state capitol.

At high noon Wednesday Lieutenant Governor Painter, for the senate, and Secretary C. Roach, for the house, wielded gavels, with, I think, every member in their seats. Temporary organizations were effected, and at 1 o'clock, after announcements for caucuses, on the part of both the majority and the minority parties, the legislature adjourned to 10 a. m. Thursday.

Both parties nominated a full line of officers, including stenographers, clerks and pages. The arrangement seemed to be that the majority should be entitled to twelve stenographers and the minority to three. By mistake the minority elected four, and were conceded that many on the floor next morning.

Every train for twenty-four hours carried away a host of the disappointed. Only those with a strong pull could hope to succeed. Speaker-elect Boyd of the house is a model presiding officer and I am sure every member will have courteous treatment at his hands.

In the party caucuses, strife centered for the minority around stenographers and pages—the only emoluments they could expect.

AMERICA RECEIVES
REPLY OF ENGLAND

Washington, Jan. 9.—Secretary Bryan announced the receipt of the note from Great Britain replying to the American communication of Dec. 26, respecting American commerce. The note, which is of about the same length as the American communication, will be made public tomorrow by mutual agreement between the state department and the British foreign office.

Many amusing happenings bob up. At our first dinner table, surrounded by seven men and five women, three of the old timers discussing Democratic conditions, one of which seemed to have a premonition suddenly looking my way remarked: "Oh, he's a Democrat." You can imagine every eye focused on a tenderfoot. But like G. W., I couldn't lie square out in public, and the fun of it all was two men and one woman on either side of me pleaded guilty as well to being Republicans. Then the fun commenced, and we have had a jolly crowd ever since.

In a great jam in a hotel lobby through which I was pressing, a bright little candidate for page pulled me. "Say, mister, my papa was always a strong Democrat. You'll vote for me, won't you?" A smile must have caused suspicion, for he said: "Course you're a Democrat, and of course a good example should be set young America." A longer sigh or a more disgusting facial expression I never saw. The crowd around us fairly yelled and both of us had business elsewhere.

Speaker Boyd has his troubles as well as honors. In his acceptance speech he referred to the fact that he had only about forty-five chairmanships of committees to distribute among seventy-five members, and even as a lawyer he had not been, as yet, able to figure how they were to go around. He warned them that he would give them three long days to cuss him all they wanted to, then they had better get busy at something else.

To Visit at Stanberry.

Mrs. G. R. Epperson and Mrs. S. H. Kemp will leave this evening for Stanberry to spend Sunday the guests of Mr. and Mrs. J. L. Griffith.

No Legislature Today.
Both the house and the senate of the state legislature adjourned yesterday until Monday afternoon.

and Miss Hattie Pierce. Among the out-of-town guests were Miss Vena Stahl of Liberty, Neb., a house guest of Miss Pierce; Mrs. Ike Thomas Pryor of Fort Stockton, Texas, who is visiting her parents, Judge and Mrs. William C. Ellison, and Henry Toel of St. Joseph.

Toel-Montgomery.

The marriage of Miss Brownie Toel and Mr. William J. Montgomery was solemnized at 9 o'clock this morning at the home of the bride's parents, Mr. and Mrs. John William Toel, 204 East Thompson street. The words of the marriage service were pronounced by

the Rev. Thomas Middleton, pastor of the Methodist church of Burlington Junction, an old schoolmate of the groom. Entire simplicity was observed in every detail of the wedding. The ceremony took place in the west end of the large living hall. The bride wore her traveling suit of sand colored covert cloth and with it were worn toque and shoes to match. A bit of sentiment was connected with the bouquet which the bride carried. It was a shower of pink rosebuds and valley lilies and was given to her by the local chapter of the Daughters of the American Revolution, she being the first bride since the formation of the chap-

ter, two years ago. As a processional and during the ceremony, Miss Alice Porter played the wedding march from "Lohengrin." Just before the ceremony was pronounced Mrs. W. M. Westbrook, a cousin of the bride, sang "Because," by D'Hardelot. Following the ceremony, morning coffee was served. A tall basket of pink Killarney roses centered the table. Mrs. George B. Baker, Mrs. Will Wallis, Jr., and Mrs. M. L. Beattie served, assisted by Mrs. Harold Bellows, Mrs. William Phares, Mrs. Oliver Bovard and Miss Ruth Montgomery. Those attending included only immediate relatives of the Toel and Montgomery families and

close friends. Among the out-of-town relatives were Court Toel of Little Rock, Ark., a brother of the bride; Mrs. Margaret Toel of Des Moines, Ia., grandmother of the bride; Dr. W. E. Ham of Beattie, Kan.; Mr. and Mrs. Henry Toel of Conception and Mr. and Mrs. W. B. Limerick of Savannah.

After a short honeymoon trip Mr. and Mrs. Montgomery will be at home at the Toel residence, 204 East Thompson.

Mrs. Ringgold, Hostess.

Mrs. J. M. Ringgold entertained the Women's Missionary society of the First Baptist church yesterday after-

noon at her home, 617 North Vine street. The meeting was opened by the president, Mrs. Alex Fraser, who conducted the business session. The leader, Mrs. W. A. Bailey, then took charge of the program, and readings were given by Mrs. Clark Andrews, Mrs. Flora Quinn, the Rev. Lewis M. Hale and Mrs. Eugene Ogden. An invitation was received from the Women's Missionary society of the First Christian church to attend a meeting at that church on January 16, to meet Mrs. Ross, one of its best known missionary workers. Among the visitors

Experience

Emphasizes the fact that successful practice in medicine is dependent upon successful treatment; and it must be remembered in this connection that the accurate and carefully made diagnosis, the skill, the pains taken in using instruments of precision, the best judgment all count for nothing if the right medicines are not used.

Dr. Prettyman buys nothing but the purest and best drugs, prepares all his medicines and can, therefore, be sure of results. His years of practice here have demonstrated that he DOES get results. You can consult him free at the Linville hotel Monday January 11.

A Draft—You Catch Cold—Then Follows Coughs, Cold Stiff Neck Neuralgia

Especially in the piercing pain of neuralgia or the dull throb of headache is Sloan's Liniment wonderfully relieving. Laid lightly on the part where the pain is felt, it gives at once a feeling of comfort and ease that is most welcome to the overwrought sufferer.

Hear What Others Say:

"There are no Liniments that equal Sloan's. My husband has neuralgia very often, he rubs Sloan's on his face and that is the last of it."—Mrs. V. J. Brown, Route 1, Box 181, Halls, Tenn.

"I have used Sloan's Liniment for family use for years and would not be without it. We have raised a family of ten children and have used it for croup and all lung trouble; also, as an antiseptic for wounds, of which children have a great many, it can't be beat. My wife sprained her ankle last summer and it was in bad shape. Sloan's Liniment applied enabled her to be as good as ever in a week. I have used it several times for sprains and rheumatism."—John Newcomb, R. R. No. 2, Keokuk, Iowa.

**SLOAN'S
LINIMENT**

It works like magic, relieving Lambo, Rheumatism, Sprains and Bruises. No rubbing—just lay it on. Price 25c. All dealers. Send four cents in stamps for TRIAL BOTTLE. Sent to any address in the U.S.

FAIR DATES 'OPEN'

NODAWAY'S EXHIBITION DOES NOT CONFLICT WITH OTHERS.

EXPECT MANY ENTRIES

Many to Compete in Races and Exhibits of Live Stock, Poultry, Farm and Home Products.

The initial county fair of the new Nodaway County Fair association, which was incorporated yesterday at \$25,000, and the dates of this year's exhibition set for August 16 to 21, inclusive, as announced exclusively in The Democrat-Forum yesterday, will not conflict with any important fairs near by. That part was determined definitely before action by James Andy Ford, manager. He wrote individually to the secretaries of the various fair associations in northern Missouri and southern Iowa, to get the time of other 1915 fairs.

The Nodaway county fair, which will continue through the entire third week of August, will come the next week after the proposed interstate fair at St. Joseph and the week preceding the Iowa state fair at Des Moines. It will not conflict with the fairs at Shenandoah or Bedford, Ia., either, according to advice received by Manager Ford.

May Change Maitland Dates.

The Shenandoah fair will be held from August 9 to 13, inclusive, Secretary A. W. Goldberg, has informed Mr. Ford. C. N. Nelson, secretary of the Taylor County Agricultural Association at Bedford, has advised Manager Ford that the Bedford fair will be held the last week of July.

Although it is not definitely determined, it is probable the local county fair may conflict with the dates of the fair of the Nodaway Valley Fair Association, to be held at Maitland. This association held a fair last year on the third week in August. That time may be changed this year, especially so now since the dates for the Nodaway county fair have been determined. A circuit fair meeting will be held within the next few weeks at Shenandoah, at which time the dates for each fair will be definitely set. Mr. Ford has been requested to attend this circuit session.

That the fair this year will far exceed that of last fall appears certain already. Many inquiries have been coming in the last few days for data concerning the exhibition, from owners of race horses and thoroughbred live stock and farmers who wish to compete for prizes and awards.

Manager for Each Department.

An individual manager for each department will be selected by the association for this year's fair. Manager Ford announced today. J. F. Roelofson of this city probably will be again selected to have charge of the live stock department, it was announced. A race manager also will be selected, an expert at Excelsior Springs being favorably considered.

There will be no exclusive concessions this year, the association officials have definitely determined. Every amusement caterer will be given a chance to bid for privileges at the Nodaway county fair, the highest bidder getting the cake. The class of amusements also will be guarded and nothing objectionable in any way allowed on the grounds the management has announced.

'RELIGION' MOST VALUABLE

"Is More to Be Prized Than Home, Wealth or Education," Evangelist Says.

The special revival meetings at the Buchanan Street Methodist church are apparently increasing in interest at every service.

The text of Evangelist Llewellyn last night was Luke 10:42—"But one thing is needful and Mary has chosen the good part that shall not be taken away from her."

"Jesus said, 'Martha, thou art careful about many things, but one thing is needful, and Mary hath chosen the good part that shall be taken away from her,'" said Evangelist Llewellyn.

"The every-day business of life keeps people away from Christ. One thing, the unity of religion, the same in experience, and in effect upon all who embrace it.

"We need religion in our homes, in our churches, and in our communities. It stops quarrels, divorces, wars. We need religion more than we need homes, wealth, education, or any other thing.

"Religion is the only satisfying thing. Money is a good thing to have, land is a good thing to have. They are good in their place, and for their purpose as God in His goodness designed them for the children of men, but they can never satisfy the longing of the soul or inner man.

"Religion can never be taken away from you. Robbers and thieves cannot force it from you. Wicked men nor devils can't keep you from obtaining, enjoying and keeping that good thing. When we choose to be religious we can be, and not before. That one thing puts us on the Lord's side. That is to be under His protection. God is that with His power and love back of us to guide and keep us and bring us in safety to the end.

\$100,000 FIRE AT SAVANNAH

Early Morning Flames Gut Five Buildings on Square—Starts in Store.

Special to The Democrat-Forum.

Savannah, Jan. 9.—Fire of unknown origin, but believed to have been caused by an overheated stove, caused a property loss of \$100,000 and the gutting of five two-story brick buildings on the south side of the court house square here early this morning. Not more than half the population was aware of the fire until four or five hours later. The best buildings in Savannah were in the burned area.

The fire started about 2 o'clock this morning in the Swartz variety and racket store. It is believed to have been caused by an overheated stove at the rear. The electric gong on the court house tower failed to work properly, thereby letting the fire get a good start before discovered.

The fire spread both west and east rapidly, burning out the building occupied by the variety store, over which was the exchange of the Andrew County Mutual Telephone company, the Porter-Cooper drug store, over which was Dr. Bailey's dental office; James-Hull, grocery store; Key's dry goods store and the Clasy hardware store, the upstairs of which buildings were occupied, except one.

The insurance carried by the Key Dry Goods company was given at \$7,000, while Clasy had an insurance of \$8,000, with a loss estimated at double that amount. All others lost heavily.

The local fire department was unable to cope with the fire, so the St. Joseph department was appealed to. It arrived too late to aid much, except to save other buildings from burning.

Harry Todd, manager of the Hanamo Telephone company, who went there this morning to aid the Mutual, said nearly all lines of communication were cut there, on his return at noon. The same block of buildings burned out two years ago, he said.

William B. Limerick, owner of the Limerick drug store there, who was in Maryville last night, received word that his store was safe from the flames.

DRAWS BIG CROWD

BAPTIST EVANGELIST GREETED AUDIENCE IN "HEART'S DESIRE."

WAS INITIAL SERMON

The Rev. A. E. Burch Begins Nightly Services With Arch Carter, Song Director.

An unusually large crowd greeted Evangelist A. E. Burch in his initial appearance at the First Baptist church revival last night. A duet by Miss Hazel Everhart and Arch A. Carter, choir director, "O My Soul, Bless Thou Jehovah," was a feature of the song service.

Evangelist Burch used as his text for the evening, "My heart's desire and prayer to God for Israel is that they might be saved."

"This is an X-ray picture of the Christian's heart," began Mr. Burch. "There are two things set forth in the text—the desire for the salvation of men and the prayer to God for that salvation. The heart's desire is a mighty force. It has brought to Edison the success that he has achieved by way of invention. It held Bunyan in the prison for twelve long years. The queen of England said to him repeatedly that he might go free if he would recant, but he desired to be true to the Christ. This desire inspires true courage. It causes the army to march in the face of every difficulty, even in the face of death. Why not such valor in the great Christian cause.

"Prayer, too, is a mighty force. Elijah prayed that it might not rain for three years. John Knox won Scotland by a night of crying, 'Oh, God, give me Scotland or I die.' The secret of true prayer is to be able to say 'Thy will be done.' That begins in our own hearts. We must do God's will before we have the right to pray that others may do God's will. 'Thy kingdom come' means that we must bring in His kingdom.

"Knowledge is a mighty force. Knowledge that men are lost goes far in creating the real desire for the salvation of the lost. Again, knowledge that men are our brothers. The ship's captain appeared to be unusually troubled, having noticed that a man had fallen overboard. This was not an unusual occurrence to him.

"On inquiry it was found that the man who had fallen overboard was his brother. This knowledge made the difference. We need to know that every man is our brother in this great soul saving work. How about your prayer, your desire, and your knowledge? Have you any passion for souls? How many have you led to Christ?"

HORACE JONES' HORSE WON.

Parnell Breeder, Owner of Julia L., May Show Juarez Winner at County Fair Here.

El Paso, Texas, Jan. 7.—All the races at Juarez were attended by selling conditions except the three-eighths of a mile dash for 2-year-olds with which the sport began, and in which Julia L., a filly by Harrigan-Princess Tulane, made a show of her opposition.

On the strength of sensational morning workouts Julia L., ruled an odds-on favorite. She was in front from start to finish and won by as great a margin as Joekey Gentry pleased. She is the first of Harrigan's to get to race.

Mena, a filly from the Speckles stable, that raced well in her only preceding start, was the runner-up. Although the track was still by no means fast, Julia L. ran the three-eighths in :34 3-5.

Julia L., mentioned as winner by so good a margin in the horse race at Juarez, Mexico, this week, is one of the prize properties in horse flesh of Horace Jones, the famous Parnell breeder.

It is Mr. Jones' intention now to bring Julia L. to Maryville next August to enter her in the races at the county fair, dates for which were announced yesterday. He also has some other animals which will probably be entered on the local track next summer.

"Parnell Girl," formerly the property of Ben Jones of Parnell, also took first money in a race at Juarez a week ago.

Nick Sturm returned yesterday from a ten days' visit at Oklahoma City, Okla., with his son, C. Edward Sturm, and family. Mrs. Sturm, who accompanied him, stopped at St. Joseph to spend a few days visiting Mr. and Mrs. J. J. Walsh.

PLAYED AT FAMOUS PRISON.

Newly Wed and "Splicer" Johnson Tell of Southern "Pen" at Andersonville.

A lengthy discussion of the old and famous confederate prison or "death trap" at Andersonville, Ga., followed a marriage this morning by Justice Warren L. Johnson, himself a civil war veteran, who was a prisoner in that famous southern "pen." It was Ross R. Cromwell, a traveling salesman of St. Louis, a newly made bridegroom, that talked of those old times with Justice Johnson.

Just previously the local justice had united Cromwell and Mrs. Pauline Hindman of Bedford, Ia. Cromwell told of the times he, as a boy at Andersonville, had played hide-and-seek around and in the famous old military prison, and Justice Johnson told of the horrible treatment he and others received there.

Cromwell also told how he and the new Mrs. Cromwell had met while he was "making" his commercial beat through Iowa, and of the romance leading up to the nuptials here today.

'SUIT COURSE TO PUPILS

Normal Head Advises City Teachers to Study Need of Individuals.

The initial monthly meeting of teachers of the grade and high schools of Maryville was held in the auditorium of the Washington school building at 10:30 o'clock this morning. Nearly every teacher in the city attended. They were addressed by President Ira Richardson of the State Normal school.

In his address before the teachers, President Richardson dwelt principally on the course of school study. He particularly emphasized the need of a greater knowledge by the teachers of the individual characteristics of their pupils and the value of trying to shape each pupil's study with this knowledge as a guide.

He also advised the teachers to get away from the mechanical manner the general course creates, to try to train each pupil in the way best suited to that child, and not give an entire class or group exactly the same instruction.

HIGH SCHOOL LOSES 27 TO 13

Albany Basket Ball Team Makes Better Passes—Locals Played Together.

The high school team lost again to the Albany high school team in a game played at the Normal gymnasium last night by a score of 27 to 13. Erratic passing at times and inability to hit field goals helped to keep the Maryville score down.

Both teams did fairly good team work, but a bad pass near the goal often broke up a good play for the Maryville boys. It was a good game, although rough in places.

At the end of the first half the score stood 12 to 6 for Albany. In the last half Albany scored 15 points to 7 for Maryville. One point was awarded to Albany. Scott played the best game for the local boys, getting 11 points.

A large crowd was present, and although the home team was losing, the rooters kept up their cheering to the last minute.

The lineups:
Albany—Elder and Summa, forwards; Goodman, center; Gill (captain) and Graham, guards.

Maryville—Strader, Gray and Van Cleve, forwards; Scott (captain), center; Miller and Hughes, guards.

Walter Wray of Maryville refereed the game.

Chester Bennett, city clerk, who has been ill the last ten days with quinsy, is slightly improved today.

HEADACHE, COSTIVE, BILIOUS—CASCARETS

Sick Headache, Bad Breath, Sour Stomach, Mean Liver and Bowels Are Clogged—Cheer Up!

Get a 10-cent box.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

"NO 'DRY' LEGISLATION"—CRAIG.

Nodaway State Senator Says Prohibition Question is to Be Stilled.

He is said to have made the statement that he believes the saloons should be curbed, but that there is nothing gained by radicalism, since the people have spoken on local option.

The state legislature will be asked this season to place rabbits on the list of protected animals. An effort also will be made to compel fishers to take out a license as in hunting.

"CAP" HYSLOP ON SESSION

Nodaway's State Representative Recites Minor Happenings at Assembly Opening.

(By Representative Charles Hyslop.)

Jefferson City, Jan. 8.—Monday, Tuesday and Wednesday of this week were the days of legislative hustling in the City of Jefferson. With about two hundred members of the general assembly present and at least three to one—some estimate as high as five to one—eager to get up to the pie counter, there was scarcely standing room for three whole days in the corridors of the hotels and chambers at the state capitol.

At high noon Wednesday Lieutenant Governor Painter, for the senate, and Secretary C. Roach, for the house, wielded gavels, with, I think, every member in their seats. Temporary organizations were effected, and at 1 o'clock, after announcements for caucuses, on the part of both the majority and the minority parties, the legislature adjourned to 10 a. m. Thursday.

Both parties nominated a full line of officers, including stenographers, clerks and pages. The arrangement seemed to be that the majority should be entitled to twelve stenographers and the minority to three. By mistake the minority elected four, and were conceded that many on the floor next morning.

Every train for twenty-four hours carried away a host of the disappointed. Only those with a strong pull could hope to succeed. Speaker-elect Boyd of the house is a model presiding officer and I am sure every member will have courteous treatment at his hands.

In the party caucuses, strife centered for the minority around stenographers and pages—the only emoluments they could expect.

Many amusing happenings bob up. At our first dinner table, surrounded by seven men and five women, three of the old timers discussing Democratic conditions, one of which seemed to have a premonition suddenly looking my way remarked: "Oh, he's a Democrat." You can imagine every eye focused on a tenderfoot. But like G. W., I couldn't lie square out in public, and the fun of it all was two men and one woman on either side of me pleaded guilty as well to being Republicans. Then the fun commenced, and we have had a jolly crowd ever since.

In a great jam in a hotel lobby through which I was pressing, a bright little candidate for page pulled me. "Say, mister, my papa was always a strong Democrat. You'll vote for me, won't you?" A smile must have caused suspicion, for he said: "Course you're a Democrat, and of course a good example should be set young America." A longer sigh or a more disgusting facial expression I never saw. The crowd around us fairly yelled and both of us had business elsewhere.

Speaker Boyd has his troubles as well as honors. In his acceptance speech he referred to the fact that he had only about forty-five chairmanships of committees to distribute among seventy-five members, and even as a lawyer he had not been, as yet, able to figure how they were to go around. He warned them that he would give them three long days to cuss him all they wanted to, then they had better get busy at something else.

Mrs. G. R. Epperson and Mrs. S. H. Kemp will leave this evening for Stanberry to spend Sunday the guests of Mr. and Mrs. J. L. Griffith.

and Miss Hattie Pierce. Among the out-of-town guests were Miss Vena Stahl of Liberty, Neb., a house guest of Miss Pierce; Mrs. Ike Thomas Pryor of Fort Stockton, Texas, who is visiting her parents, Judge and Mrs. William C. Ellison, and Henry Toel of St. Joseph.

Toel-Montgomery.

The marriage of Miss Brownie Toel and Mr. William J. Montgomery was solemnized at 9 o'clock this morning at the home of the bride's parents, Mr. and Mrs. John William Toel, 204 East Thompson street. The words of the marriage service were pronounced by

the Rev. Thomas Middleton, pastor of the Methodist church of Burlington Junction, an old schoolmate of the groom. Entire simplicity was observed in every detail of the wedding. The ceremony took place in the west end of the large living hall. The bride wore her traveling suit of sand colored covert cloth and with it were worn toque and shoes to match. A bit of sentiment was connected with the bouquet which the bride carried. It was a shower of pink rosebuds and valley lilies and was given to her by the local chapter of the Daughters of the American Revolution, she being the first bride since the formation of the chap-

ter, two years ago. As a processional and during the ceremony, Miss Alice Porter played the wedding march from "Lohengrin." Just before the ceremony was pronounced Mrs. W. M. Westbrook, a cousin of the bride, sang "Because," by D'Hardelot. Following the ceremony, morning coffee was served. A tall basket of pink Killarney roses centered the table. Mrs. George B. Baker, Mrs. Will Wallis, Jr., and Mrs. M. L. Beattie served, assisted by Mrs. Harold Bellows, Mrs. William Phares, Mrs. Oliver Bovard and Miss Ruth Montgomery. Those attending included only immediate relatives of the Toel and Montgomery families and

close friends. Among the out-of-town relatives were Court Toel of Little Rock, Ark., a brother of the bride; Mrs. Margaret Toel of Des Moines, Ia., grandmother of the bride; Dr. W. E. Ham of Beattie, Kan.; Mr. and Mrs. Henry Toel of Conception and Mr. and Mrs. W. B. Lamerick of Savannah.

After a short honeymoon trip Mr. and Mrs. Montgomery will be at home at the Toel residence, 204 East Thompson.

Mrs. Ringgold, Hostess.

Mrs. J. M. Ringgold entertained the Women's Missionary society of the First Baptist church yesterday after-

noon at her home, 617 North Vine street. The meeting was opened by the president, Mrs. Alex Fraser, who conducted the business session. The leader, Mrs. W. A. Bailey, then took charge of the program, and readings were given by Mrs. Clark Andrews, Mrs. Flora Quinn, the Rev. Lewis M. Hale and Mrs. Eugene Ogden. An invitation was received from the Women's Missionary society of the First Christian church to attend a meeting at that church on January 19, to meet Mrs. Ross, one of its best known missionary workers. Among the visitors

Experience

Emphasizes the fact that successful practice in medicine is dependent upon successful treatment; and it must be remembered in this connection that the accurate and carefully made diagnosis, the skill, the pains taken in using instruments of precision, the best judgment all count for nothing if the right medicines are not used.

Dr. Prettyman buys nothing but the purest and best drugs, prepares all his medicines and can, therefore, be sure of results. His years of practice here have demonstrated that he DOES get results. You can consult him at the Linville hotel Monday January 11.

A Draft—You Catch Cold—Then Follows

Coughs, Cold Stiff Neck Neuralgia

Especially in the piercing pain of neuralgia or the dull throb of headache is Sloan's Liniment wonderfully relieving. Laid lightly on the part where the pain is felt, it gives at once a feeling of comfort and ease that is most welcome to the overwrought sufferer.

Hear What Others Say:

"There are no Liniments that equal Sloan's. My husband has neuralgia very often, he rubs Sloan's on his face and that is the last of it."—Mrs. V. J. Brown, Route 1, Box 11, Halls, Tenn.

"I have used Sloan's Liniment for family use for years and would not be without it. We have raised a family of ten children and have used it for croup and all lung trouble; also, as an antiseptic for wounds, of which children have a great many, it can't be beat. My wife sprained her ankle last summer and it was in bad shape. Sloan's Liniment applied enabled her to be as good as ever in a week. I have used it several times for sprains and rheumatism."—John Newcomb, R. R. No. 2, Keokuk, Iowa.

**SLOAN'S
LINIMENT**

It works like magic, relieving Lumbago, Rheumatism, Sprains and Bruises. No rubbing—just lay it on. Price 25c. All dealers. Send four cents in stamps for TRIAL BOTTLE. Sent to any address in the U.S.
